

April Week 2  
Word of the Month:

\_\_\_\_\_

Peace: \_\_\_\_\_ you care more about  
each other than \_\_\_\_\_  
an argument.

A mediator is someone who makes \_\_\_\_\_.

A mediator stands in the middle of a conflict and helps them build a  
\_\_\_\_\_ from one person to another.

Our Bible verse today was from Colossians. Is that in the New or Old  
Testament? \_\_\_\_\_

Who gives us peace? \_\_\_\_\_

Making \_\_\_\_\_ is our responsibility.

Even when we disagree, we can have \_\_\_\_\_  
with each other.

Who do you need to make peace with?
